*\*Qualifier in the Mass Bay Pursuit Race Series\**

Hull Yacht Club

Come celebrate the sport of sailing by participating in the 29<sup>th</sup> annual Great Chase Race. Last year we had 115 boats enter the Great Chase and once again we are expecting over 100 sailing vessels of all types. This event is open to all sailors, PHRF, one design, and cruisers. If you have never competed in the Great Chase, you have been missing one of the best sailing events of the season!

**\* GREAT RACE \* GREAT PARTY \***

### How it works:

You will be given a start time based on your boat's rating. The slower boats start first, the faster boats start later. The slower boats have the thrill of hanging on to the lead for as long as possible. Faster boats have the challenge of passing the whole fleet to win. The first boats start at 1:00 pm. This year we are changing the way starting times are calculated from a "Time on Distance" to a "Time on Time" rating. For more information, visit [www.regattaman.com/TOT\\_pursuit\\_race.php](http://www.regattaman.com/TOT_pursuit_race.php). In addition, we will be using the new ORR-EZ rating system to calculate the starting times.
