1.6 NON-SPINNAKER classes shall set only headsails and staysails ahead of each mast and only in rated configurations. Headsails shall not be set flying. Whisker poles are permitted.

2.1 RACE TRACKING – [NP] Each yacht shall provide and carry a GPS tracking device as prescribed in the NOR. The device shall be operational from the time a yacht casts off before the start and until she next docks, after finishing or withdrawing from the race.

2.2 [NP] The equipment listed in Appendix A – SAFETY EQUIPMENT is recommended for all yachts. Additionally, the OA strongly recommends compliance with the *US Safety Equipment Requirements* (USSER) for a Coastal race.

2.3 [NP] Prior to the start, each yacht shall hold a man overboard (MOB) briefing or drill with the crew.

Point of Origin	Range	Bearing	NOAA Chart
Southern YC	11.9 nm	045°	11369

9.3 The course distance is **50.0 nm** and is not subject to redress under RRS 62.1(a).

10 THE START

10.1 SYC Appendix P – Pursuit Starting System shall apply. This replaces RRS 26.

10.2 STARTING TIMES will be calculated using ORR-Ez time-on-distance (TOD) or PHRF ratings, as applicable, and shown on the Scratch Sheet.

10.3 STARTING BOAT ABSENT – If the RC boat is not on-station at a yacht's prescribed Starting Time, the yacht shall assume that the starting sequence is under Postponement and shall stand by in the starting area. The RC will attempt to hail her intentions via VHF or cell phone to the affected yachts. This race condition shall not be grounds for redress under RRS 62.1(a).

10.4 The STARTING LINE will be between a staff bearing an orange flag on the Race Committee boat on the starboard end and the port end starting mark.

10.5 PFDs shall be worn at the start. See SI 2.4.

11 BRIDGE SAFETY AND DELAYS

11.1 BRIDGE TIME – If a yacht encounters a closed draw bridge on the course, the crew shall record the time that the yacht's bow reaches a point two (2) boat lengths from the nearest fender, before turning away to wait. Once the bridge opens and the yacht begins to transit the bridge passage, the crew shall record the time that the bow passes the same point relative to the fenders. The interval between these two times shall be the "Bridge Time" for the subject bridge.

11.2 For safety, bridge foundations and fender systems may be touched, secured-to, or fended-off from without penalty.

(b) Bridge tenders monitor VHF 13 using the specific "quoted" call signs. See also SI 11.6.			

11.3 Yachts shall resume race progress as soon as possible and shall not prolong their delay to gain an advantage.

11.4 Yachts delayed at a bridge shall keep clear of yachts that are still racing.

11.5 Bridge Time shall be submitted to the RC within the Protest Time Limit. See SI 16.

11.6 [NP] The success of this regatta depends on the cooperation of the bridge tenders to get the fleet through The Rigolets. Competitors SHALL NOT engage in argumentative or obscene conversation with the bridge tenders. Competitors SHALL exercise patience and consideration and use polite and clear speech in their communications with the bridge tenders. An offending yacht is subject to disqualification and exclusion from future events. Also, note that bridge tenders must record the names and sail numbers of all boats transiting the bridges.

12 MOTORING

12.1 Yachts may use auxiliary propulsion without penalty as specified in this section. A yacht motoring shall keep clear of a yacht sailing.

12.2 A yacht motoring as allowed herein shall not overtake another yacht in the race.

12.3 For safety, while transiting the primary navigational passage of a bridge and in no other bridge span or passage, yachts may motor at a steady course and speed, not to exceed four (4) knots, from the time the bow is two (2) boat lengths from the nearest fender until the yacht clears the fenders on the opposite side.

12.4 A yacht that becomes grounded in the North Shore Channel or The Rigolets, but nowhere else on the course, may use auxiliary propulsion to free herself. Once free, a yacht shall immediately disengage her motor before proceeding in the race.

12.5 A yacht delayed at a draw bridge may use auxiliary propulsion to maneuver and to return to the point where her bridge arrival time was taken, as long as her speed does not exceed four (4) knots at that point.

13 NOTIFICATION OF RETIREMENT

[NP] Yachts retiring while racing must report their actions as soon as possible to the Race Committee via VHF or phone (see Contacts listed below). Failure to report promptly will be grounds for exclusion from future events.

14 THE FINISH

14.1 The FINISH LINE will be set roughly north-south, between a staff bearing a blue or orange flag on the RC signal boat on the starboard (south) end and the course side of the port (north) end finish mark.

14.2 [NP] Yachts finishing in darkness shall illuminate their sail numbers to aid the RC in identification.

14.3 FINISH BOAT ABSENT – If required, a yacht shall report her GPS finishing time and position relative to nearby yachts to the Race Committee upon docking at GYC or via phone. See also SI 16.

15 TIME LIMIT

There is no time limit.

16 POST-RACE CHECK-IN

Skippers shall submit their Bridge Time or lack thereof to the Race Committee or GYC office upon docking. Yachts that do not check-in within one (1) hour of their finish time may be scored DNF without a hearing. This alters RRS A5.1.

17 PENALTIES AND PROTESTS

17.1 Breaches of rules denoted by [NP] will not be grounds for protest by a yacht and penalties for these may be less than DSQ. This alters RRS 60.1.

17.2 The Scoring Penalty, RRS 44.3, will apply as a 20% place penalty with display of a YELLOW FLAG.

17.3 USP Appendix V, rule V2 shall apply.

17.4 The Protest Time Limit is one (1) hour after the last yacht finishes. Protests may be reported via email or text, but must be properly time-stamped.

18 SCORING

Yachts shall be scored in accordance with SYC Appendix P using handicap corrected time. ORR-Ez scoring will be time-on-time (TOT).

19 PRIZES

19.1 Marker trophies will be awarded as follows:

- First place in fleet.
- Lowest elapsed time.
- First place in each class.
- Second and third places in each class as entries warrant.

Yachts in PHRF and Multihull divisions are not eligible for fleet and perpetual trophies.
