All yachts are required to check-in before the First Warning Signal, in accordance with RRS 26. The boats will start on reverse order, (i.e. slowest boats will start first and fastest boat will start last).

Class F Warning	1835
Class C Warning	1840
Class B Warning	1845
Class A Warning	1850

The above times serve as examples and may be altered by the RC based on conditions, number of participants and multiple class stats being combined.
