This changes the standard racing marks.**

9.2 The intended starting order will be determined and posted after registration ends but before 2000 on June 9.

9.3 The class in sequence will be announced via VHF radio channel 73.

9.4 At the discretion of the Race Committee some of the classes listed may be started simultaneously. Competitors should pay careful attention to the announcements to determine when their class is included in the starting sequence.

9.6 A committee boat which is either a starting or finishing mark may set a limit mark. A boat shall not touch either the limit mark or the committee boat or pass between them. For purposes of RRS 31.1 (Touching a Mark) and RRS 28.1 (Sailing the Course) the limit mark and the committee boat shall be considered to be a single mark. No other requirements of RRS 31 or 28 are modified by this paragraph.

9.7 After starting one or more classes the Race Committee may change the course for subsequent classes. There will be a break in the sequence, which will be announced via a radio communication to the racing fleet on VHF Channel 73 and may be signaled by use of the AP pennant. Hails on VHF channel 73 are acceptable.

13.3 Protests will be heard starting on Friday 16 JUN 2023 online or via alternate arrangements.

16 DISPOSAL OF REFUSE - A boat shall dispose of all refuse in a proper manner upon returning to shore. Discharging refuse overboard may be grounds for disqualification.

17 SCORING – PHRF handicapping will be done using time on time circular random ratings. The course and wind strength for ORR-Ez and CRCA classes will be selected before the finish. Corrected times for the ORC classes will be calculated using the appropriate ORC Time-on-Time ratings. The race committee will determine the proper course type and the wind speed rating prior to scoring the race.

18 SAFETY

18.1 A boat that retires from the race, or leaves the racing area, shall notify the race committee as soon as possible.

18.2 Boats shall meet applicable class safety equipment and standards.

18.3 Boats shall not exercise right of way, cross in close proximity to, or interfere with the reasonable transit of the race area by a freighter, tug or other commercial vessel. Competitors must take corrective action well in advance of any potentially dangerous situation. A boat protested under this rule has the burden of proof that she complied with this rule. RRS 60.3 is changed to add "If the race committee receives a report of an incident where a boat(s) may have interfered with commercial traffic it may protest any boat involved."

19 DISCLAIMER OF LIABILITY: Competitors participate in the regatta entirely at their own risk. See RRS 3, Decision to Race.
