COVID-19 Guidelines for Racing

CV-1 While on club grounds, docks, launches and racing all participants are asked to wear a face covering. Failure to do so could result in Centerboard Yacht Club's event permit to be revoked by the Harbor Master.

CV-2 Launches will be limited to 4 passengers. Due to the reduced capacity it is even more important this season than past years that launch drivers make as few trips to a boat as possible. Please wait till you have 4 crew members going to your boat or all crew are present before taking a launch.

CV-3 Follow all state and federal guidelines for COVID-19. Realize these can and will change as the season goes on.
