

## **AMENDMENT #1 (Tracking Devices & Skp. Mtg.)**

### **EYC Lambert Overnight Ocean Race**

**SATELLITE RACE TRACKING:** Every boat racing in the Lambert shall carry a supported satellite tracking device. One of the reasons for this requirement is safety based on knowing everyone's location in real time.

The Regattaman.com web site for the June 29<sup>th</sup> Lambert Overnight Ocean Race contains details about these devices including listing those that are supported including pricing for purchase and/or rental.

**SKIPPERS MEETING:** Item 5 - Skippers Meeting: Will be held in the EYC Sailing Center at 1630 hrs. on Friday, June 29.

ADD the following – "It is mandatory that the skipper or a crew member attend the Skippers Meeting."
