

SailMaine Festival and Regatta

August 13 – 14, 2021

SailMaine

Updates to the Notice of Race – August 5, 2021

As per the Notice of Race v 5, 7/25/21, Section 4.8, we find no One-design classes had registered six (6) or more boats before 1200 August 5, 2021. The Organizing Authority has therefore eliminated races scheduled for Sunday August 15, 2021. The registered boats in the Etchells, J/24, and J/80 classes are welcomed to join in the races scheduled for Saturday August 14, 2021 and these boats will be moved into the Racing – 2 Class befitting their ratings. If five (5) or more boats in any of these classes are registered by 1200 Thursday August 12, 2021, there will be a separate one-design start for that class on Saturday. The start time for the qualifying one-design class(es) will be provided at the skippers meeting.

As per the Notice of Race v 5, 7/25/21, Section 5.2, we have currently eight (8) registered boats having raised over \$1000 each which will entitle these boats to rating adjustments between 3 – 9 seconds per mile. If your boat wishes to join with these select boats and enjoy the benefits of your own rating adjustment, additional contributions in the name of your boat should be in sent to SailMaine prior to 1200 Thursday August 12, 2021 at which time any rating modifications will cease.

Leaders as of August 5, 2021
