

SailMaine
COMMUNITY SAILING CENTER

We are very thankful for all your hard work fundraising for this event!

When we add in the corporate sponsorships---**WE EXCEEDED OUR GOAL!!!**

With your help we raised over \$40,000!! \$49,249.00 to be exact. Thank you!

Donations that come in after 12pm today still help support the SailMaine mission but won't count for your rating bonus.

The money raised through your efforts will help people that normally couldn't afford sailing get out on the water and learn the sport we all love so very much. As sailors, you know there is more to sailing than the incredible sense of the boat moving through the water—it's also about the confidence we gain, the community we care about, and the opportunity to enjoy the ocean and all the wild life it brings with it.

Thank you for making sailing available for everyone!

We also wanted to make sure you knew all the details of the social events!

Friday we will be hosting the competitors meeting at Portland Yacht Services (PYS) at 100 West Commercial St. (*that's at the opposite end of Commercial from SailMaine*) from 5:30 to 7pm. There will be pizza and beer available and you can pick up your skipper packets.

On Saturday after racing, there is a post-race party also at PYS from 5:30 to 8:30. Live Band. Food from El Rayo. Limited Oysters—Provided by our sponsors Mere Point Oysters. Beer, Wine, and specialty drinks. Beer is provided by our sponsor Rising Tide. The specialty drinks are from Blue Barren Distillery.

The awards will be at 7pm! Make sure to fill out the awards sheet if you win something so we can get you the right gear. All the awards are sponsored by YouRegatta! You regatta be kidding me how cool this gear is going to be!!

Both of these events are included in the registration fee so no need to sign up for tickets. You hope to see you an all your crew there! You can park at PYS.
